## Worksheet 8: The 40-Hour Banked Week

Convert every overtime hour into permanent capital. Every sprint feeds the engine.

### [A] Labor Conversion Rate

| ASSUMPTION               | VALUE   |
|--------------------------|---------|
| Regular hourly rate (\$) | \$22.00 |
| Overtime multiplier      | 1.5x    |
| Estimated tax rate (%)   | 30%     |
| OT hours in this sprint  | 20      |

| RESULT                       | VALUE    |
|------------------------------|----------|
| OT hourly rate (\$)          | \$33.00  |
| Gross sprint income (\$)     | \$660.00 |
| After-tax (est.) (\$)        | \$462.00 |
| Engine Capital deployed (\$) | \$462.00 |

### [B] Sprint Target Plan

| SPRINT GOAL | TARGET (\$) | CURRENT (\$) | GAP (\$) |
|-------------|-------------|--------------|----------|
|             |             |              |          |
|             |             |              |          |
|             |             |              |          |
|             |             |              |          |
|             |             |              |          |
|             |             |              |          |
|             |             |              |          |
|             |             |              |          |

"Every overtime hour belongs to the Architect. The machine gets paid first."

# Worksheet 16: The Eternal Architect: Succession & The Hand-Off

The architecture outlives you. Build the Black Box. Name the inheritors.

## [A] Black Box Creation Checklist

| DOCUMENT | STATUS | LOCATION | LAST UPDATED |  |
|----------|--------|----------|--------------|--|
|          |        |          |              |  |
|          |        |          |              |  |
|          |        |          |              |  |
|          |        |          |              |  |
|          |        |          |              |  |

## [B] Beneficiary Audit

| ASSET / ACCOUNT | BENEFICIARY NAMED? | WHO? | DATE VERIFIED | NOTES |
|-----------------|--------------------|------|---------------|-------|
|                 |                    |      |               |       |
|                 |                    |      |               |       |
|                 |                    |      |               |       |
|                 |                    |      |               |       |
|                 |                    |      |               |       |

## [C] Co-Pilot Curriculum

| TRAINING EVENT | WHO RECEIVES IT | DATE COMPLETED | NOTES |  |
|----------------|-----------------|----------------|-------|--|
|                |                 |                |       |  |
|                |                 |                |       |  |
|                |                 |                |       |  |
|                |                 |                |       |  |

"Wealth is what you earn. A Legacy is what you build."
